RE. ACQUIRE BUSINESS SALES LTD

Dear Anthony,

The share sale of our Company to Kingdom Services Group Ltd is expected to be finalised in the next week. We are extremely pleased with the outcome, and are more than happy to provide your Company with a reference in anticipation of the sale.

Based on our experience of using your service to introduce potential buyers to our business sale, negotiate on our behalf with more than one buyer, and guide us smoothly through the selling process, we would have absolutely no hesitation in recommending your Company to other business owners considering employing a firm like Acquire to fulfil an exit.

From the start, Acquire quickly got to grips with the scale of our business and more importantly our objectives for the sale. You also made very clear proposals on how to identify and approach prospective buyers, which as first (and only) time business sellers, we found extremely reassuring.

We liked the fact that you specialise in finding buyers for companies of our size and offered the necessary experience and skills to not only identify, but negotiate with acquirers much larger in size than ourselves.

Given our sector, your measures to safeguard our Business from the potential hazards of selling proved extremely valuable.

We are delighted to be selling our Business to Kingdom and are looking forward to commencing our retirement.

Best Regards
