Dear Anthony,

We write to put on record our thanks to yourself and the team at Acquire for your assistance in the successful Sale of our Business, Eurolabs Limited.

From the outset we felt confident in Acquire's ability to professionally represent us in identifying and introducing suitable purchasers for our Business. We also felt that your targeted marketing efforts and service orientated approach enabled us to confidentially explore our market effectively, which resulted in a steady flow of qualified interest from strategic acquirers and more importantly a successful Sale.

We are pleased to have successfully Sold Eurolabs Limited to Melrob Limited, a company that is extremely well aligned to our Business and who we believe can take Eurolabs onto much greater strengths. The sale has also created future opportunities for key members of our staff to excel within the new structure.

We are very happy to recommend and promote the specialist selling services of Acquire Business Sales whenever possible and wish yourself and the team all the very best for the future.

Yours Sincerely,

Roger Hird
