To Whom it May Concern :

**Acquire Business Sales Ltd**

As a manufacturing business approaching £3m turnover we found that Acquire was an ideal fit in terms of a company to manage the marketing of our business. From the initial meeting with Anthony Mitchell, it took only a few weeks to have the company installed on their portfolio of businesses for sale.

Through my own experience, I would certainly use their services in the future should the opportunity arise and have no hesitation in recommending them to other owners who are looking for a reliable company to achieve a best fit sale for their business.
